Beautiful 2 and 3 bedroom resale villa homes in a secure gated lake community. In the immediate area of shopping, restaurants, spring training baseball and of course golf. Some homes have been totally updated others await your touch. Mature landscaping creates your own little corner of the world.

Homes are clustered but designed for maximum privacy. Wide streets and open common area add to the openness.

Some are actually water front properties in which residents enjoy beautiful sun sets and an abundance of wild ducks and geese that call Lake Point home each year.

Just 10 minutes away from the Westgate Entertainment Complex and the now famous site of the Glendale Super Bowl.

Corner windows and an abundance of glass provides an open outdoor feeling throughout the homes.
